A Little Bit About Stop Children's Cancer

Since 1981 Stop Children's Cancer has been dedicated to funding pediatric cancer research. Funding goes toward basic research, scholars, equipment and technology, including clinical trials for the Divisions of Pediatric Hematology/Oncology and Pediatric Neuro-Oncology at the University of Florida.

For the countless children and families around the world that are affected by cancer, Stop Children's Cancer provides hope for the future. Every donation brings us one step closer to the prevention, control and cure of pediatric cancer.

Contact Information

If you are interested in becoming a sponsor for this event, please email Julie Hill with Stop Children's Cancer at: julie@stopchildrenscancer.org or call her at: 352-377-2622.

Thank you for your contributions and help in the fight against children's cancer.
