

IRONWOOD LEAGUE RULES

The League begins on Thursday night **March 19, 2020**. Play begins at 5:00pm each day. Registration fees are due on the first day of play.

FORMAT

9-Hole individual modified stableford system (gross points)

- Double Eagle = 12 points (in your dreams – it never happens)
- Eagle = 8 points
- Birdie = 4 points
- Par = 2 points
- Bogie = 1 point
- Double or Higher = 0 points
- No “minus” points

Total or “Target” points are based off 18 (2 points for par times 9 holes). Take your handicap and subtract it from 18 to get your target points.

Example: If Joe is a 5 handicap for nine holes (10 for 18 holes) then he must make 13 points to break even (18 minus 5). If Joe only accumulates 10 points his score would be -3 for the day. If he makes 16 points his score would be +3 for the day. These numbers will be used to determine the individual winners for the day.

Daily adjustment factor: With each league round your individual point total may change according to the following procedure:

- 3 or more points over your requirement = adjust your total +2
- 2 points over your requirement = adjust your total +1
- 1 point less to 1 point over your total = no adjustment
- 2 or more points less than your total = adjust your total -1

Handicap

- Each participant must have a current USGA handicap.
- Players may purchase one in the Proshop.
- Players may use a current USGA handicap from another course. In that event, the player is asked to give the Proshop their GHIN number so that the club can access the current handicap when making out each week's scorecards.

Entry Fee

\$20.00 Registration Fee – One-time fee to play in the league

\$21.00 weekly per player (9-hole league play)

Breakdown:	\$16.00	green fee, cart fee
